SHOP FRONTS

MAKE AN ENTRANCE

Balaclava Glass has produced many shop fronts in Melbourne over the past years. Ranging from small retailers to larger establishments like Dick Smith. We take pride in our work and always strive to deliver the best finish on time and to specification. We can install sliding panels, rail systems all made to measure at our Melbourne factory for ease of delivery to site.

Installation, Modification & Upgrading

Our Glass is of the highest quality and has been for many decades now. You can see our beautiful Shop Fronts displayed all over Melbourne.

We offer installation, modification and upgrading existing installations. Our highly qualified staff can fit products to existing or new buildings with a minimum of fuss and disruption.
