SPLASH BACKS

MAKE A STATEMENT

Balaclava Glass supply and install Glass Splashbacks for kitchens and bathrooms. We have a huge range of colours and finishes, we can also digital print your design onto a splash back making it totally unique for your home. Many people are also now installing Glass Splashbacks in bathrooms.

Unlimited Colour, Custom Design & Installation

Balaclava Glass can supply glass splashbacks with finishes that can capture your imagination. We can colour match to any colour you choose. Add to this a range of metallic and pearlescent finishes, digital printing of images and there is no limit to what can be achieved.
